+ ABOUT ME

Aspiring football player; with much desire to play professionally on national and club level. Over a year's experience of academy level football internationally. Self-disciplined, all rounded player with much strength in attacking positions. I am a hardworking team player that is committed to helping the club reach its goals in every game. I am a very coachable and intelligent player. My grassroots coaching experience has equipped me with a higher level of understanding of the game so I am able to analyze on and off the pitch.
